EXPERIENCE

Internshala Intern | Apr 2023 - Jun 2023 | Surampalem, India

Student Partner Communication | Marketing strategies

- Interned as a Student Partner at Internshala, promoting internship opportunities, enhancing communication and marketing skills.
- Insights gained into marketing strategies and student outreach.

Coursevita Intern | Feb 2023 - Apr 2023 | Surampalem, India

Web development HTML | CSS | JavaScript

- Skilled in web development using HTML, CSS, and JavaScript to create dynamic, user-friendly websites. Capable of integrating JavaScript to develop interactive functionalities and web pages, and implementing interactive features.

Technical Hub Trainee | Sep 2022 - Oct 2025

Trainee Java | Python | Web development

- As a Trainee at T-hub, gained proficiency in C, Java, HTML, CSS, Python, and JavaScript, developing foundational skills in programming and web development with a strong interest in learning and applying diverse technologies.

PROJECT(S)

Zomato Clone Webpage HTML | CSS | JavaScript

Description: Developed a Zomato Clone webpage using HTML, CSS, and JavaScript. Implemented responsive design principles to create a visually appealing and functional replica of the Zomato platform, showcasing proficiency in front-end web development

- Implemented responsive design techniques to ensure compatibility across various devices and screen sizes.
- Designed and styled the interface to replicate the aesthetic and functionality of the original Zomato platform.
- Integrated interactive features using JavaScript for enhanced user interaction and experience.
- Demonstrated proficiency in front-end web development, and responsive web design principles.

Industrial Training AP innovation Society | Vishakapatnam | Mar 2024

- During the visit, we learned about various innovative ideas and initiatives in the startup industry. The insights provided by them helped us understand the concepts better and encouraged us to explore opportunities in the entrepreneurial terrain.
