PROFESSIONAL SUMMARY

Highly motivated and detail-oriented Senior Associate seeking a challenging role that leverages my skills in quality assurance, error handling, and team collaboration. With 1.4 years of experience working on Goggle's Gemini project at Wipro, I've developed a strong foundation in quality-focused work and a proven track record of delivering exceptional results. And satisfied Client requirements in time with more precision. I'm eager to expand my skills and take on new responsibilities in a dynamic environment that fosters growth, innovation, and teamwork. Looking for a role that aligns with my strengths and passions, where I can make meaningful contributions and drive success.
